DESCRIPTION:

This impressive maisonette occupies the whole of the raised ground floor and part of the first floor of this imposing and attractive, end of terrace building. It features a very special reception room - almost 20 feet in length with excellent ceiling heights and plenty of period detail with working shutters to the enormous south facing window, a large central fireplace, ornate cornice and wall panel mouldings. Beyond the reception is a separate kitchen area and to the rear of the property, the four double bedrooms. Stairs lead from one of the bedrooms to the private garden space to the rear, an unusual feature for a non-basement property in Notting Hill.

LOCATION:

Talbot Road runs east-west through Notting Hill, just behind Westbourne Grove with its vast array of boutiques and restaurants. The property is located just to the east of Chepstow Road, within easy walking distance of Notting Hill and its many transport connections and is also not far from Paddington Station and the Heathrow Express.
