DESCRIPTION

This immaculately presented family home has been renovated to a very high standard and benefits from four bedrooms, two bathrooms, a beautiful kitchen-diner and a landscaped rear garden.

The property is situated within easy reach of Worcester Park high street, which offers a variety of amenities including shops, bars, restaurants, bus routes to surrounding areas such as Kingston, Sutton and Heathrow, plus a train station providing fast and frequent services into Central London.

Several well-regarded schools are close by including Cheam Common Infant's and Juniors Academy, St Cecilia's Catholic Primary School and Richard Challenor School.

The accommodation on the ground floor consists of a spacious entrance hall, a front aspect living room with a log burner, a gorgeous kitchen and dining room and a further reception/family room overlooking the rear garden. Upstairs, on the first floor, there are two well-proportioned double bedrooms, a good-sized single bedroom and a modern family bathroom. On the second floor, the principal bedroom includes fitted wardrobes and a luxury en-suite shower room.

The property has a light and airy feel throughout and includes lots of contemporary features such as high-end kitchen fittings, luxury bathrooms, fitted wardrobes and window shutters.

Externally, the landscaped rear garden is high fence enclosed for privacy and includes an area of astro turf ideal for easy maintenance and an area of patio perfect for outside dining. There is a large outbuilding at the end of the garden which provides the perfect work from home space or entertaining room and a section for storage which can be accessed at the back. There is also a useful rear access gate.
