The apartment forms part of a substantial semi-detached Victorian house which was converted into ground and first apartments in 1984.

Occupied by the present owner since 2013, the property has been completely refurbished and restored to a high standard, with great attention to detail. It is presented in truly excellent order throughout, and, unusually for an apartment, is ideally suited to pet owners.

Traditionally built, the property has facing brick elevations under a modern concrete tiled roof. It is connected to all mains services, with gas central heating, and UPVC double glazed sash windows throughout.
