DESCRIPTION:

We are delighted to offer this 4 bedroom detached house, located in a quiet no through road that leads onto Princes Park in Temple Fortune. Parkway has easy access to shops such as Waitrose and Marks and Spencer's in Temple Fortune and Golders Green tube is approximately 1 mile way. In addition to being adjacent to Princes Park, the house is also close to the Hampstead Heath Extension and Golders Hill Park.

The house, which is on the market for the first time in excess of 50 years, is bright and spacious and offers exceptional potential for further enlargement if required. At present, accommodation comprises, on the ground floor, 3 reception rooms, a kitchen and morning room, plus a guest WC. The garage, which is adjoining the hallway could easily be incorporated into the internal accommodation to create an additional living room/study.

On the first floor there are 4 bedrooms plus a family bathroom and separate WC. There is potential to build on the first floor both over the garage and also to the rear if required. There is also a large loft area which could be converted if required. The house has both front and rear gardens with the latter being substantial, west facing and beautifully landscaped.

Overall this is a house that has been much loved but is now ideal for the buyer who wants to put their own "stamp" on a delightful family home that will be theirs for many years to come.

The house is being sold chain free and early viewing is strongly recommended.
