## Rarely Available Character Period Detached Cottage

This wonderful character cottage is conveniently positioned at the end of a quiet, attractive and leafy close. The cottage is pleasantly situated close to local shops, doctors' surgery, pharmacy, Waitrose and Aldi stores as well as Dean Lane Park, with children's playground, just down the road. Royal Winchester Golf Club and beautiful countryside walks are easily accessible. The area remains extremely popular with those families who want to remain within walking distance of Winchester railway station and city centre.

This superb home has been well maintained and extended by the current owners, with scope for further extension, subject to the relevant planning permissions. A great deal of thought has been taken with the layout and the balance achieved is just right, with four bedrooms and three reception rooms arranged over two floors.

The property can be entered directly into the kitchen/dining room or via the lovely, light-filled conservatory, which is the ideal place to relax with a drink and admire the views of the garden. The kitchen itself is sleek and well-appointed with base and eye-level units providing ample storage, including an exceptionally useful larder cupboard. Integrated appliances include oven, hob, extractor and dishwasher with space for a full height fridge/freezer. The kitchen and dining area have views over the garden and there is plenty of room for a table and chairs. Double doors lead through to the charming family room with attractive original mantel beam and large windows to the front. Across the hallway lies the bright sitting room with a window onto the conservatory allowing plenty of natural light. An understairs cupboard has space and plumbing to neatly house a washing machine while the generous downstairs cloakroom has space for a tumble dryer.

Upstairs there are four good bedrooms; the principal bedroom is an excellent size with wonderful views over the garden and built-in wardrobes. A shower room across the landing could easily be converted back to an en-suite if desired. Two further bedrooms are doubles while the fourth bedroom is a good-sized single. The family bathroom has a bath with power shower over.

Outside, the cottage has a spacious frontage with a patio area directly in front of the property. A pretty bank houses plenty of shrubs and flowers with steps up to the main garden. The generous lawn is bordered by mature shrubs and trees offering a good degree of privacy and a path along one side of the garden leads to the driveway with garage and off-street parking for several vehicles. A shed provides useful storage.
